

SHOWER TIME

JT SHOWER TRAY COLLECTION

SHOWER TIME

**STYLE, QUALITY
& INNOVATION**

www.just-trays.com

I am delighted to present the 10th edition of the **JT** Collection with the latest, and our strongest, range of award-winning shower trays.

The latest product to join the range is Evolved™ by **JT**, which we are very proud of. We took our time to develop this stunning next generation product and the reaction has been fantastic with the range already winning a **Designer Kitchen and Bathroom award for Product Innovation**.

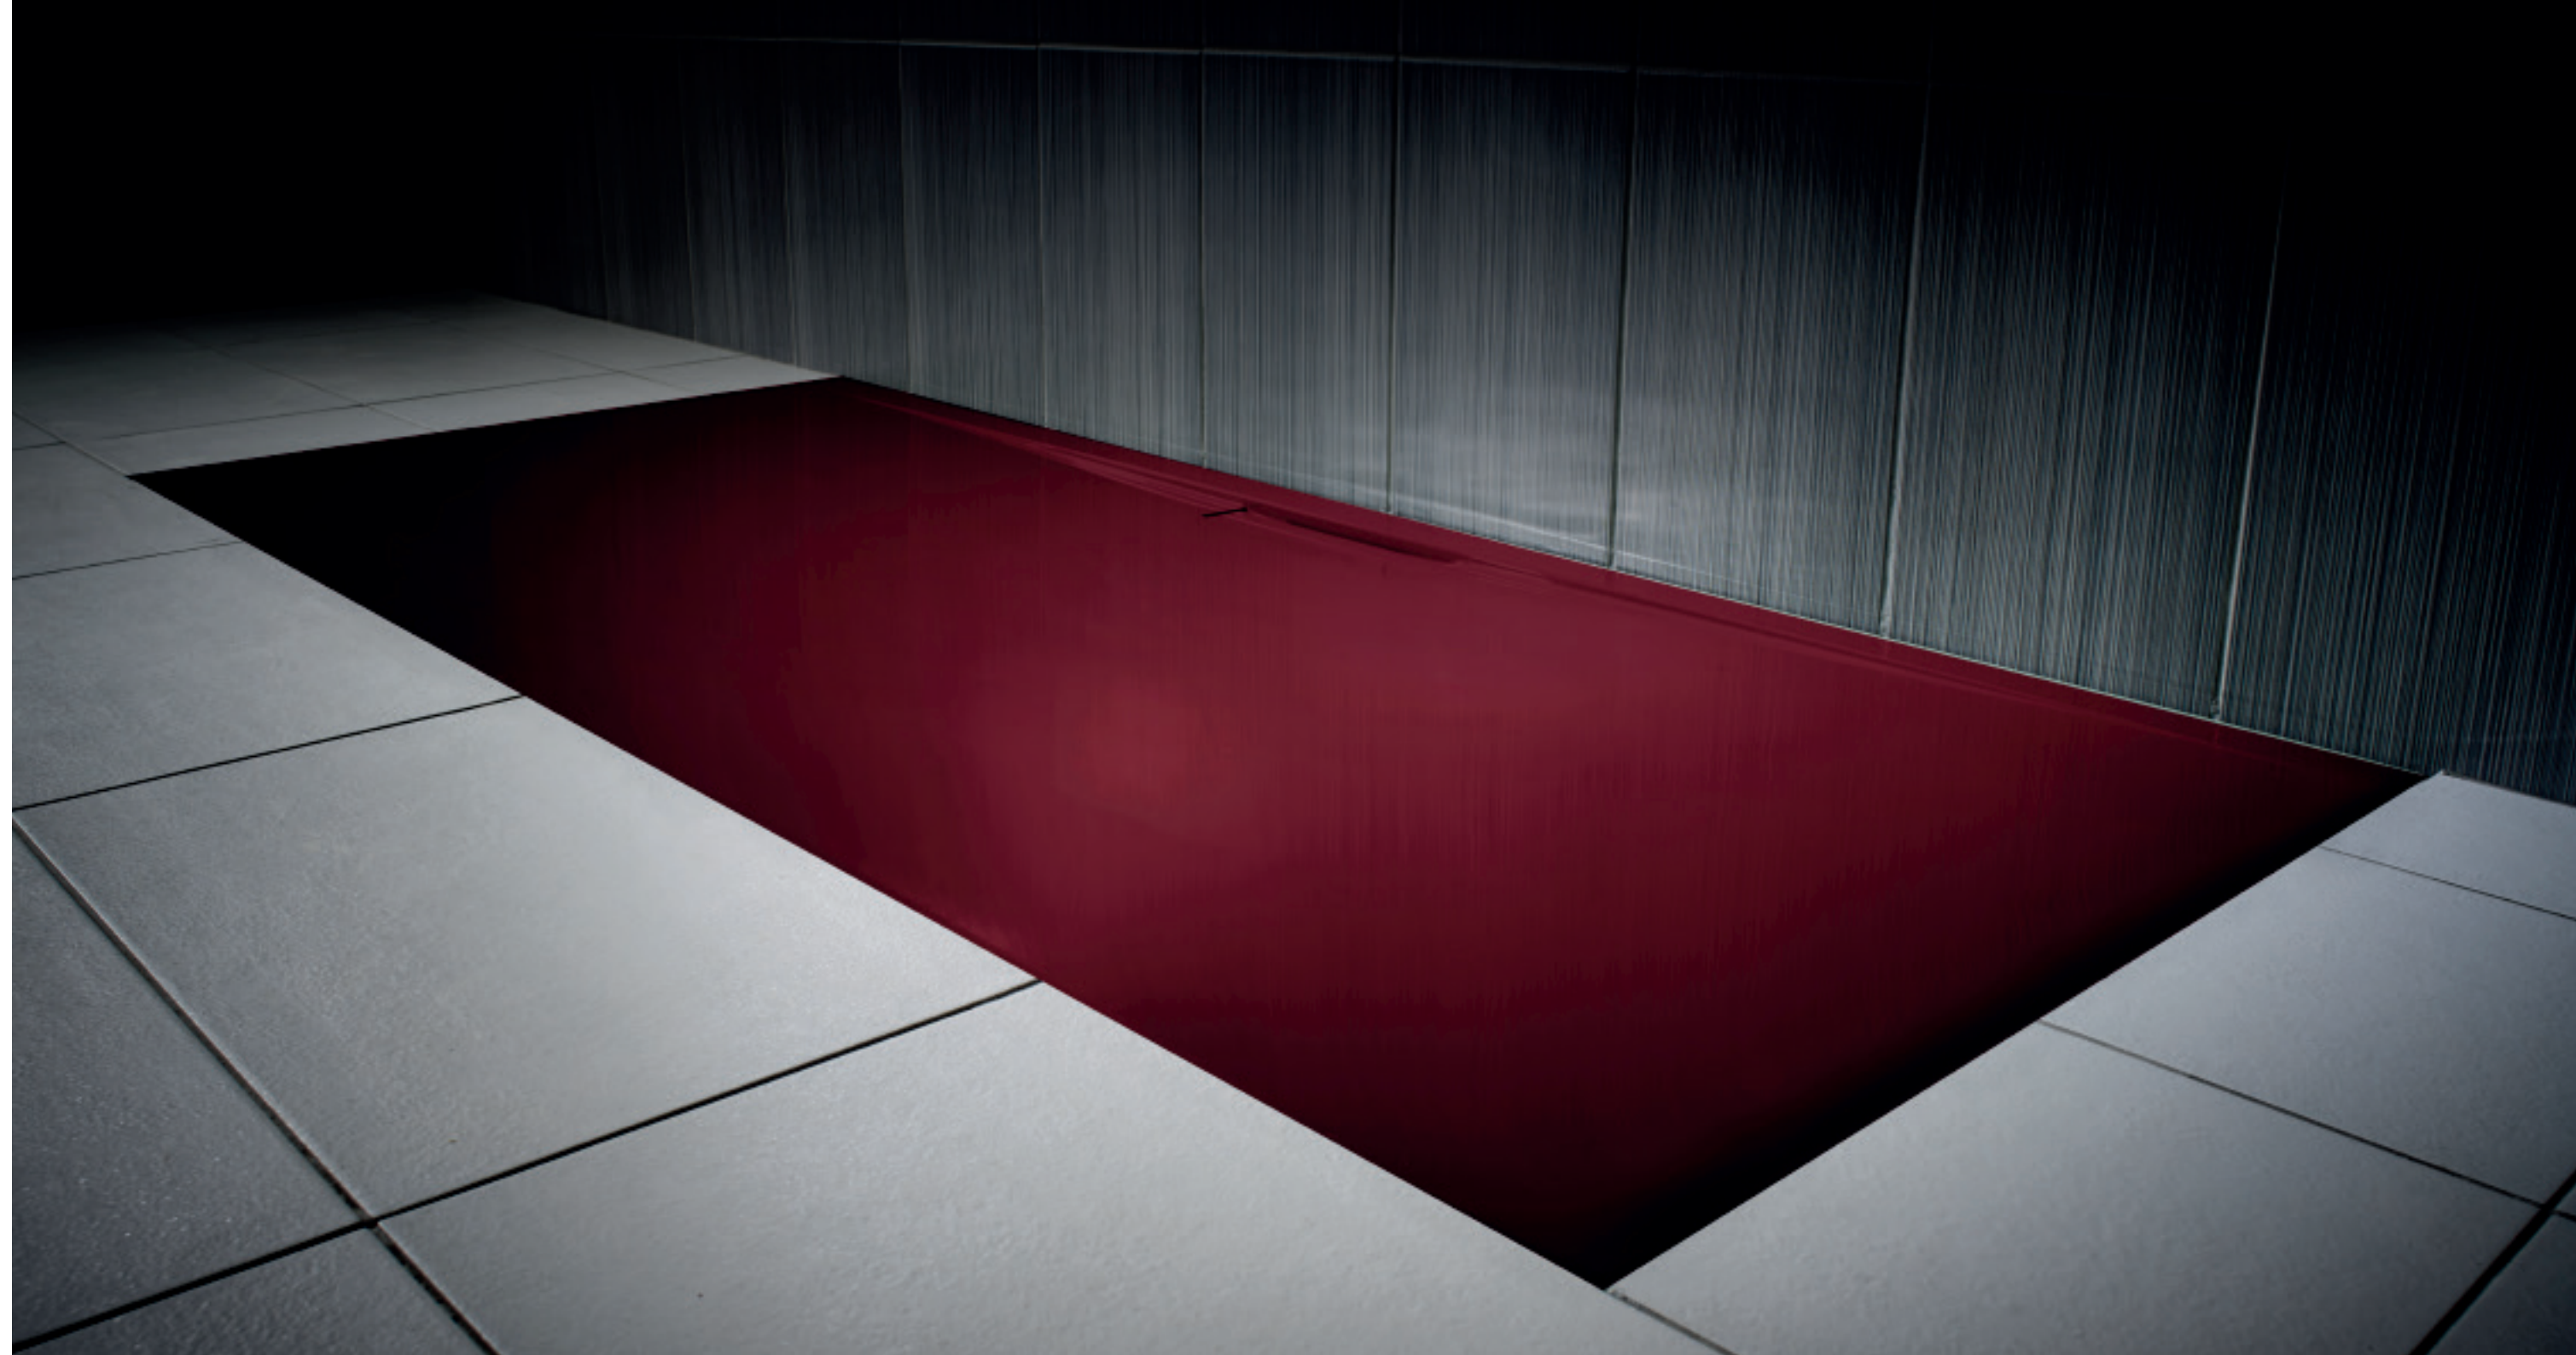

Our extensive selection of shower trays are all manufactured in the UK from our factory in Leeds, West Yorkshire. We have been designing, innovating and producing trays for nearly 30 years, cementing our position as the UK's number one shower tray manufacturer.

We pride ourselves on having a tray to suit almost any size and shape required, enhanced by our **JTSoftstone™** product, which is available with a bespoke service so it can fit any bathroom, however challenging!

All our trays are available with the **JTAnti-Slip™** application as an add-on, as well as offering a range of solutions, such as the **JTFlexi-Fix™**.

We are thrilled with our current line-up of **JT** products and our support teams will be happy to answer any questions you may have with your installation.

Paul Crossley
Managing Director

EVOLVEDTM
BY JT

We are proud to bring you the next stage of shower tray evolution, following significant investment in design and production technology. This new addition to the **JT** range is a 25mm tray that has the look and feel of a wetroom.

This next generation product features state of the art waste solution, exclusively designed by Wirquin, the leading global waste manufacturer, in partnership with **JT**.

LINE UP, LINE UP

JTFUSION™

Seamless style

The original low-level tray is a best seller with installers and consumers alike. The **JTFusion™** is manufactured from ABS capped acrylic stone resin and double skinned for extra strength. Installation is easy whether raising on legs with a **JT Riser Kit** or fitting flat-to-the floor for the ultimate sleek look.

The range is available in 48 sizes and 5 colours, in addition to gloss and matt white, 27 of these come with the option of integrated tiling upstands to create a watertight enclosure, be it a new or existing installation. **JTFusion™** is also available with a concealed waste to present a modern and minimalist look.

- 48 size options available in square, rectangle, quadrant and offset quadrant
- Available in five stunning colours plus gloss and matt white
- Installs flat to floor or on legs with a **JTFusion™** riser kit
- Easy fit legs for quicker installation
- Includes **JT90mm Waste™**
- Available with 13mm tiling upstands
- 25 year guarantee
- **JTAnti-Slip™** available

A REVEALING PERFORMANCE

JTMERLIN™

It's a kind of magic

The **JTMerlin™** is the original easy plumb, easy access shower tray. An installers dream, the product is made from ABS capped acrylic stone resin and features adjustable feet hidden behind removable panels.

JTMerlin™ is ideal for awkward, new installations and existing tray replacements. The integrated upstand option is simply recessed into the wall allowing tiles to overlap for a watertight installation.

www.just-trays.com

- Available in square, rectangle, quadrant and offset quadrant
- 39 size options
- Integrated 13mm tiling upstand option available
- Supplied with leg set and easy-to-fit loose panels with unique fastening system
- 50mm waste outlet
- 25 year guarantee
- **JTAnti-Slip™** available

5

JTULTRACAST™

Simple elegance

A simple yet graceful ABS capped acrylic stone resin design, the JTUltracast™ is available in a flat top or tiling upstand tray.

The integrated upstand option is simply recessed into the wall allowing tiles to overlap for a watertight installation.

Ideal for awkward and new installations, as well as existing shower tray replacements.

A STANDING OVATION

- Available in square, rectangle, quadrant and offset quadrant
- 39 size options
- Integrated 13mm tiling upstand option available
- 50mm waste outlet
- 25 year guarantee
- JTAnti-Slip™ available

6 TIME TO ACCESSORISE

JTFlow™
Complex plumbing simplified

38 litres of water a minute can be carried away due to the innovative design of this 50mm waste. The **JTFlow™**, which is made from recycled materials, conforms to BS EN 274-1:2002 and features an easily removable dome for cleaning.

JT90mm WASTE™ & CONCEALED WASTE
Rapid water dispersal

A 90mm rapid waste outlet that allows 48 litres of water to be carried away each minute. Its sleek lines perfectly complement the **JTFusion™** range. Made from recycled material, the product conforms to BS EN 274-1:2002 and features an easily removable cap.

JTVERTICAL 90mm WASTE™
Intelligent water removal

A 90mm vertical waste designed to help assist the water dispersal where the fall for the waste pipe cannot be achieved. Conforms to BS EN 274-1:2002, the product is made from recycled plastic and carries away 48 litres of water a minute. Also features an easily removable dome for cleaning.

JTFlow™ FLEXI-HOSE
Simple, quick and straight forward

This truly flexible solution is designed to make installation easier – music to the ears of your plumber! The Flexi-Hose eliminates the need for complex plumbing, untidy pipe work and elbow joints.

JTFLEXI-FIX™
Flexible water-proofing solutions

The patented **JTFlexi-Fix™** is the perfect solution should a flat top tray be the only option. Complete with all the added benefits of a tiling upstand, the easy-application tape is self-adhesive, wraps around corners in on-piece and creates a watertight seal that accommodates vertical movement of at least 15mm. Available in 3.2 metre lengths.

JTANTI-SLIP™
The safe option

Exclusively available to **JT**, this colourless, independently tested and approved to Class C application, can be applied to any existing shower tray or bath to create a non-slip surface, whilst retaining a premium look. Covers 1.2m².

DON'T BREAK A LEG

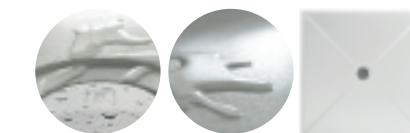

- Factory applied treatment to aid the prevention of slips and falls
- Class C slip rating - the highest level of approval for domestic use
- Also available in kit form for retro fitting to showers and baths (2 year guarantee)
- Conforms to BS7976-2 2002
- Complete with 3 year guarantee

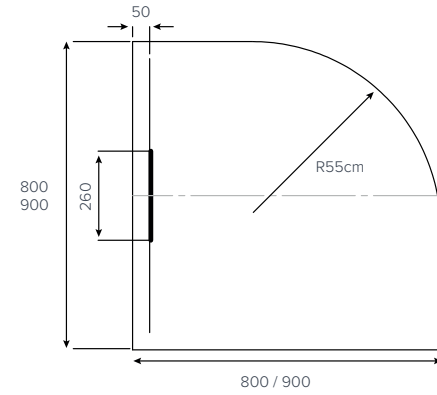

JTANTI-SLIP™

The safe option

A colourless application, exclusively available to **JT**, which can be ordered factory applied or in a kit and applied to any existing shower tray or bath to create a non-slip surface whilst retaining a premium look. Class C, independently tested solution.
