

VX100-SP

4"/100mm axial extract fans with short spigot

A range of single speed extract fans with a short spigot, ideal for shallow wall or ceiling installations. Compact and easy to install, the range is designed for bathrooms, shower rooms and ensuites, and all models include a lubricated-for-life motor with cut-out protection. Available in standard, timer and pull cord variants.

For wall fitting we recommend the VK10 kit (89120AW) which includes wall tube and external grille.
