MODERN CLASSIC STYLISH

William Wilson offers an extensive range of decorative towel warmers and designer radiators which will add style to any room in your home. As well as being decorative they will supply you with the warmth which will provide a comfortable atmosphere in your living space.

The Express and Sensation range of rails has been selected to compliment all types of bathrooms taking into consideration the quality and performance that you will expect.

For contemporary areas the Purmo flat fronted horizontal or vertical radiator is perfect. In the more traditional rooms the Purmo classic column style heat emitters will allow you to keep the original look whilst enjoying the modern day comfort.

All prices are inclusive of VAT at 20%.

Heat outputs are given in watts & to EN 442 standard Delta T= 50.

All dimensions are given in millimetres.

All products in this brochure are suitable for indirect/closed heating systems only.

William Wilson cannot be held responsible for the incorrect application of any product.

Whilst every effort has been made to ensure prices within this guide are correct, prices charged will be those ruling at date of despatch.

A dark, moody photograph of a dining area. In the foreground, a white table is visible with a black pepper mill on the left. Above the table, two black conical pendant lights hang from the ceiling. On the wall behind the table, there is a circular framed picture of a landscape and a decorative floral arrangement. The word "ACCESSORIES" is centered in white text over the image.
