

Vitreous china semipedestal for basin

Two ostensibly conflicting objectives, converge in harmony in this collection: aesthetics and economy. Pieces wrought in several dimensions so that they adapt to all spaces. A contemporary and perfectly-proportioned design that blends subtly into all types of spaces.

Designed by
Antonio Bullo

A renowned industrial designer based in Venice specialising in ceramics. He has won four gold medals at the Faenza International Ceramic Competition and two Design Plus awards at ISH Frankfurt. For Bullo, the product must be an extension of the company's soul and consistent with the markets in which it is competing.

Colours and finishes

How to obtain the reference number

Replace the “..” with the desired finish code from the list below

00 White
