

**NEW**

# A new innovation in tacker fixing systems.

The exclusive new **MYSON FLOORTEC** tackernail and tool have been designed with the installer in mind to make installing underfloor heating even easier and more reliable.

**NEW** tackernail design has more barbs - so no more worries about nails lifting!

**NEW** tackernail is made entirely of plastic - so no more clogging from sticking tape! Available in 3 different lengths 38mm, 42mm and 58mm

**NEW** tool designed especially to work with re-designed tackernails - for easy and efficient operation
