These instructions must be read in conjunction with the Installation & Servicing Instructions supplied with the boiler.

This kit allows for a secure boiler installation. Using the bracket with the security screws provided prevents the boiler from being removed from the wall.

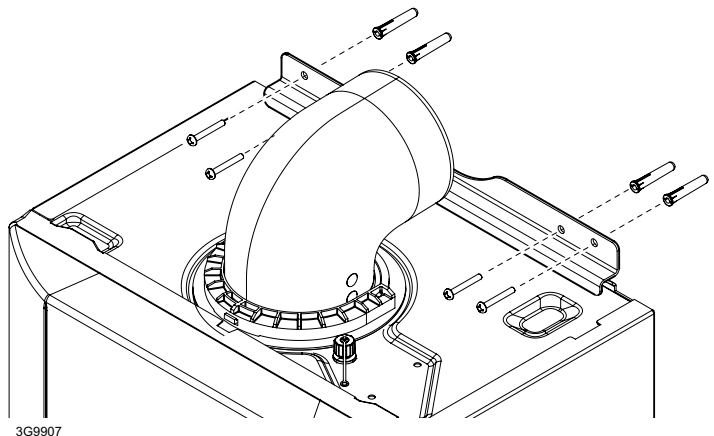

KIT CONTENTS

- A. Security bracket
- B. Fixing Pack:
 - Screws x 4
 - Wall Plugs x 4
 - Drive Bit x 1
- C. Instructions

INSTALLING THE SECURITY BRACKET

1. With the boiler in position, offer the bracket to the boiler (as shown).
2. Drill 4 holes for the fixing bracket.
3. Secure the bracket in position using the screws, plugs and tool provided in the fixing pack.
