QUALITY & INNOVATION

## JT Quality & Innovation

The **JT** Collection goes from strength-to-strength and I'm delighted to present our latest portfolio of design-led shower trays.

We have been a proud UK manufacturer for over twenty five years, innovating, designing and delivering our extensive range from our base in Leeds, West Yorkshire. Our decades of experience have created a series of unrivalled shower tray ranges to suit any situation.

We have over 250 choices of shower trays across our five exclusive product ranges, each designed to exacting quality standards.

Our extensive award-winning range of shapes, sizes and stunning colours deliver a spectacular finish for any specification. We also offer a range of shower solutions, from the **JTFLEXI-FIX™** to our **JTANTI-SLIP** application, ensuring we meet all bathroom requirements.

Our industry leading quality and innovative manufacturing has created the latest series of **JT** products, the strongest line up in our proud British history.

**Paul Crossley**

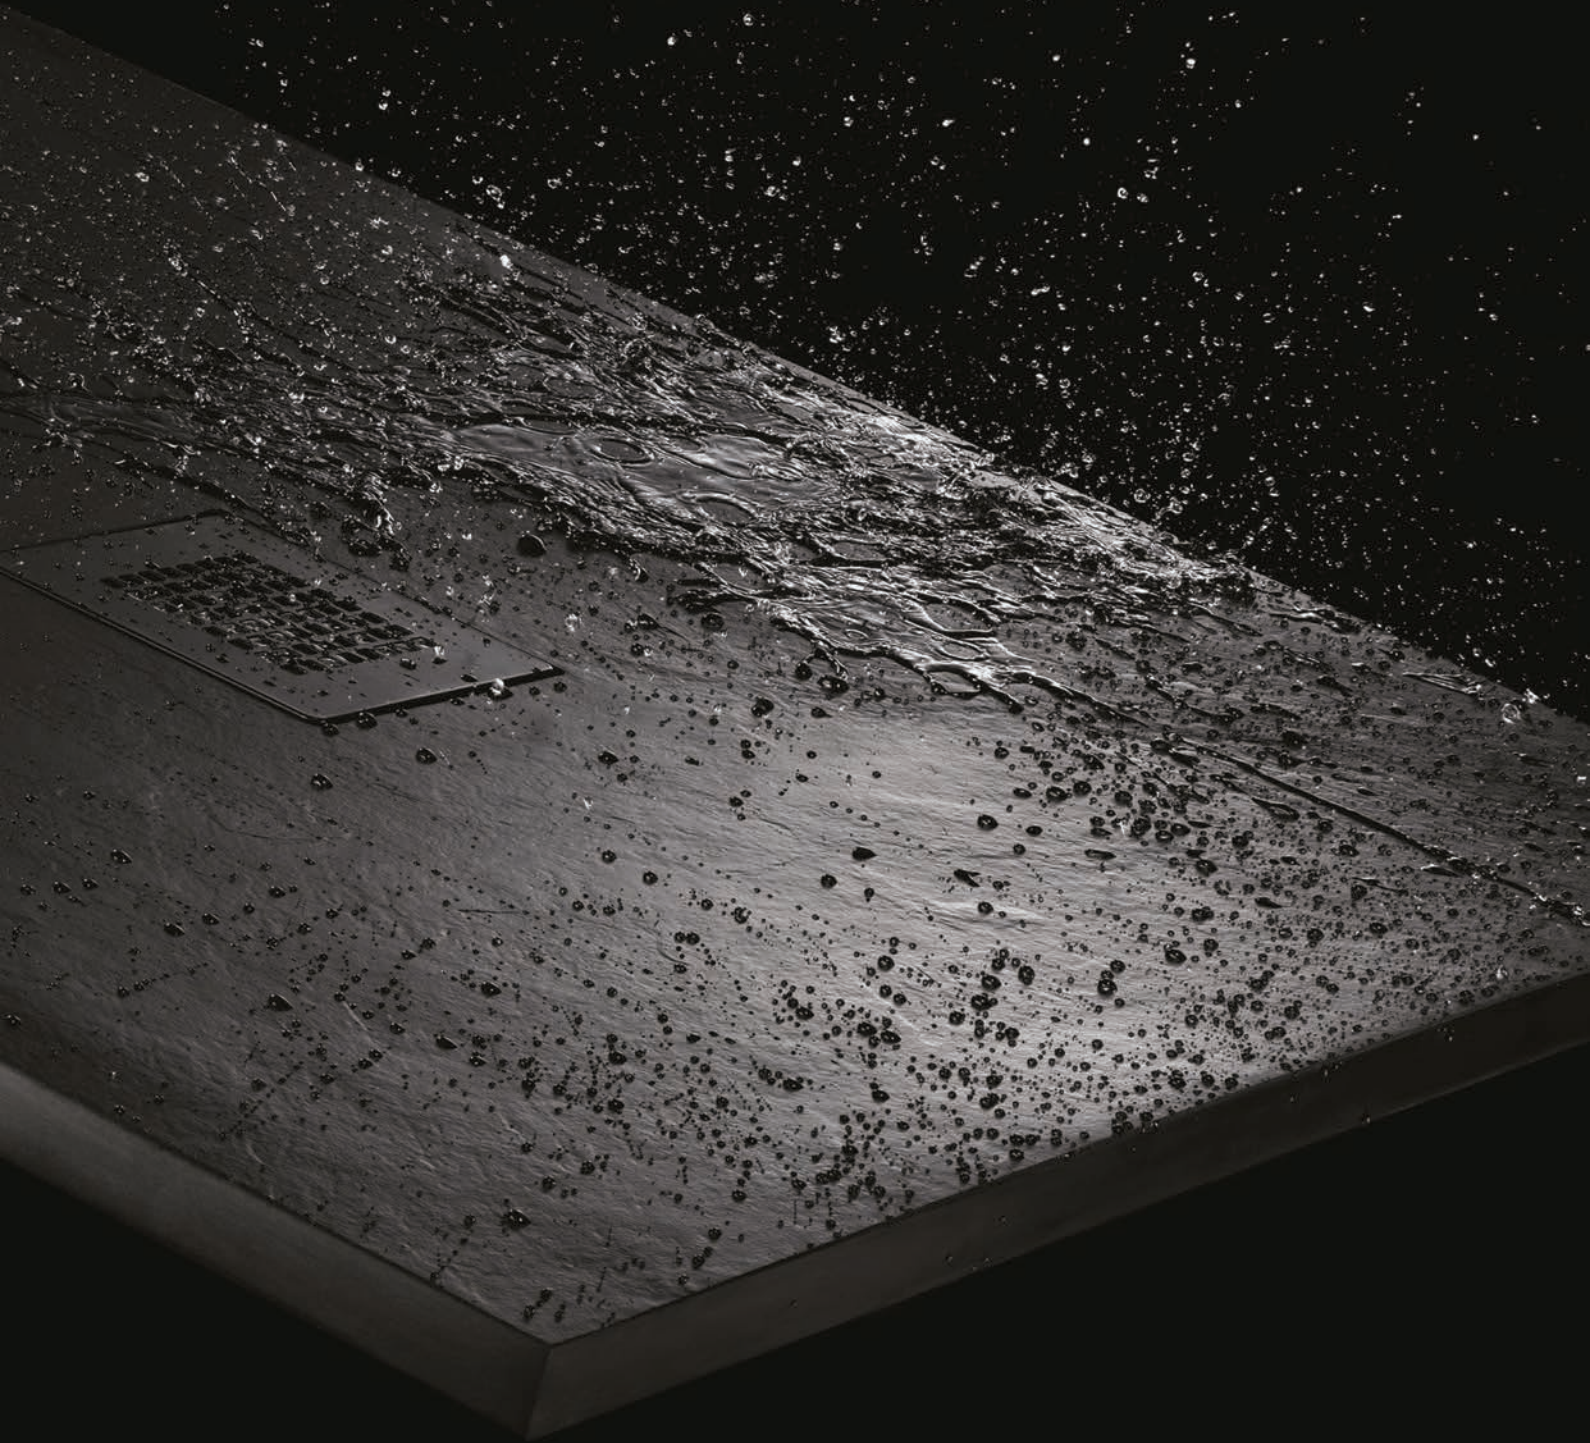

Managing Director

QUALITY & INNOVATION

JTSOFTSTONE®

The **JTSOFTSTONE**<sup>®</sup> aqua cushion floor is the award winning innovation from **JT**.

The easy to install **JTSOFTSTONE**<sup>®</sup> amazes the senses with a soft touch and features a unique ergonomic, non-slip surface.

With a slate effect finish and available in three colours: black, white and cream, the stylish **JTSOFTSTONE**<sup>®</sup> is the ultimate statement in luxurious showering, adding a new dimension to your home.

The **JTSOFTSTONE**<sup>®</sup> is available in a range of set sizes along with a bespoke option (see p15) allowing you to create the perfect 'wet room effect' solution.

# JTAccessories

**JTFLOW™ 50mm WASTE**  
**Complex plumbing simplified**

The efficient design of the 50mm waste allows 38 litres of water a minute to be carried away. Conforms to BS EN 274-1:2002 and features an easily removable dome for cleaning. Made from recycled materials.

**JT90mm WASTE**  
**Rapid water dispersal**

A 90mm rapid waste outlet that allows 48 litres of water to be carried away each minute. Its sleek lines perfectly complement the **JTFUSION™** range. Made from recycled materials. Conforms to BS EN 274-1:2002 and features an easily removable dome for cleaning.

We recommend the use of this waste with the **JTNATURAL™**. (Chrome dome is not required)

**JTVERTICAL 90mm WASTE**  
**Intelligent Water Removal**

A 90mm vertical waste designed to help assist the water dispersal where the fall for the waste pipe cannot be achieved. Conforms to BS EN 274-1:2002, is made from recycled plastic, carries away 48 litres of water a minute and features an easily removable cap for cleaning.

**JTFLOW™ FLEXI-HOSE**  
**Simple, quick and straight forward**

This truly flexible solution is designed to make installation easier. The Flexi-Hose eliminates the need for complex plumbing, untidy pipe work and elbow joints.

**JTFLEXI-FIX™**  
**Flexible water-proofing solutions**

The patented **JTFLEXI-FIX™** is the perfect solution should a flat top tray be the only option. Complete with all the added benefits of a tiling upstand, the easy-application tape is self-adhesive, wraps around corners in one-piece and creates a watertight seal that accommodates vertical movement of at least 15mm. Available in 2.1 and 3.2 metre lengths.

**JTANTI-SLIP**  
**The safe option**

A colourless application, exclusively available to **JT**, which can be applied to any existing shower tray or bath to create a non-slip surface whilst retaining a premium look. Class C, independently tested solution.

# JTANTI-SLIP

The safe option

## JTANTI-SLIP is available on all **JT** shower trays

A colourless application, exclusively available to **JT**, which can be ordered factory applied or in a kit and applied to any existing shower tray or bath to create a non-slip surface whilst retaining a premium look. Class C, independently tested solution.

---

Factory applied treatment to aid the prevention of slips and falls

---

Class C Slip rating -the highest level of approval for domestic use

---

Also available in kit form for retro fitting to Showers and Baths (2 Year Guarantee)

---

Conforms BS7976-2 2002

---

Complete with 3 Year Guarantee

---

We recommend these trays are installed with a JTFLOW™ 50mm waste

Tray Cross Section

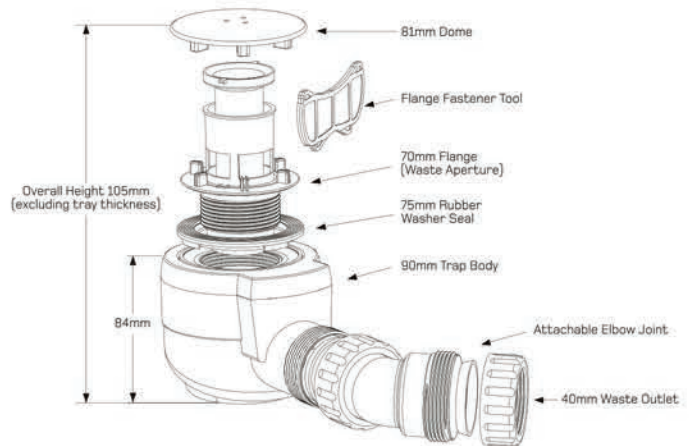

# JTACCESSORIES

## JTFLOW™ 50mm WASTE

### Complex plumbing simplified

The efficient design of the 50mm waste allows 38 litres of water a minute to be carried away. Conforms to BS EN 274-1:2002 and features an easily removable dome for cleaning. Made from recycled materials.

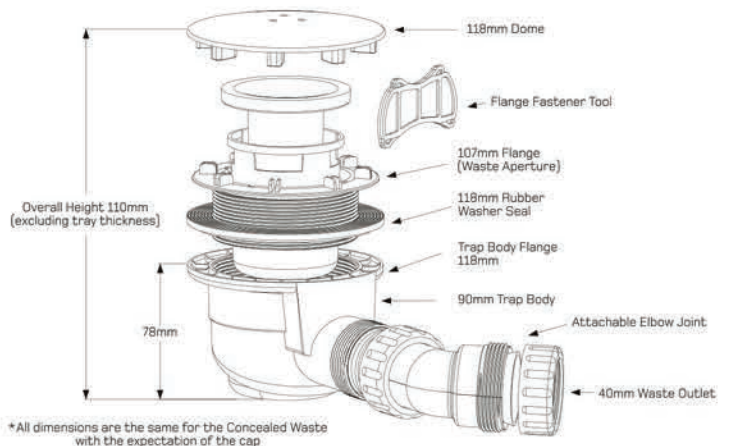

## JT90mm Waste & Concealed Waste

### Rapid water dispersal

A 90mm rapid waste outlet that allows 48 litres of water to be carried away each minute. Its sleek lines perfectly complement the JTFUSION™ range. Made from recycled materials. Conforms to BS EN 274-1:2002 and features an easily removable dome for cleaning.

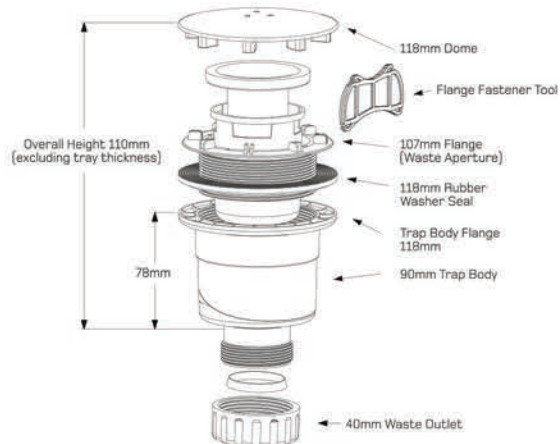

We recommend the use of this waste with the JTNATURAL™. (Chrome dome is not required)

## JTVERTICAL 90mm WASTE

### Intelligent Water Removal

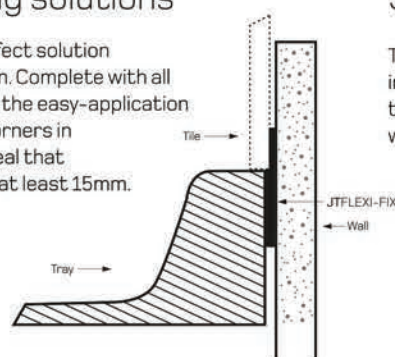

A 90mm vertical waste designed to help assist water dispersal where the fall for the waste pipe cannot be achieved. Conforms to BS EN 274-1:2002, is made from recycled plastic, carries away 48 litres of water a minute and features an easily removable cap for cleaning.

## JTFLEXI-FIX™

### Flexible water-proofing solutions

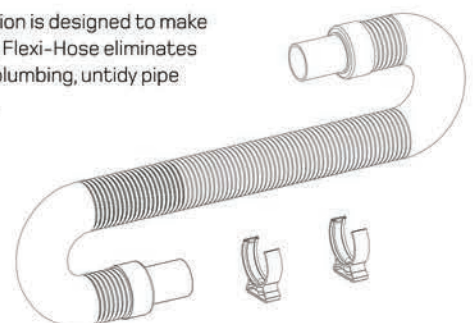

The patented JTFLEXI-FIX™ is the perfect solution should a flat top tray be the only option. Complete with all the added benefits of a tiling upstand, the easy-application tape is self-adhesive, wraps around corners in one-piece and creates a watertight seal that accommodates vertical movement of at least 15mm. Available in 2.1 and 3.2 metre lengths.

## JTFLOW™ FLEXI-HOSE

### Simple, quick and straight forward

This truly flexible solution is designed to make installation easier. The Flexi-Hose eliminates the need for complex plumbing, untidy pipe work and elbow joints.

The specifications contained within this brochure are for information purposes only and as our products are continually updated are subject to change without prior notice.
