THE SHOWER TRAY. **EVOLVED.**

EVOLVED  
BY JT

EVOLVED  
BY JT

JT's reputation is built on quality and innovation. Over three decades, our team has led product design with the creation of a tray on legs, the launch of the revolutionary JT40 and the JTFusion, the low profile tray that took the market by storm.

We are proud to bring you the next stage of shower tray development, following significant investment in design and production technology. This new addition to the JT range is a 25mm tray that has the look and feel of a wetroom.

The next generation product features a leading edge waste solution, exclusively powered by Wirquin, the leading global waste manufacturers, in partnership with JT.

THE **SHOWER TRAY** - EVOLVED BY JT.

## THE COLOUR. EVOLVED.

Evolved by JT is available in five stunning colours, in addition to Gloss and Matt White, chosen to inspire the look of a wetroom for a modern bathroom feel.

THE COLOURS AVAILABLE ARE:

Pastel Blue

Mistral Grey

Malbec Red

Sage Green

Astro Black

Matt/Gloss White

## THE WASTE. EVOLVED. POWERED BY

- At 40mm deep, the waste will remove 27ltrs/min and is the shallowest on the market
- Total depth of tray and waste is only 72mm
- Easy top access to simplify cleaning
- Features unique silicone membrane to stop any pipe odours
- Manufactured by Wirquin - a leading global manufacturer of wastes
- Guaranteed for five years

The photographs are for general guidance only and colours are limited to the restraints of the printing process.
