LOVE THE SHOWER LOVE THE PRICE

AFFORDABLE STYLE

Looking for designer style in your bathroom - without the designer price tag?

You'll love these Affordable Style ranges from Triton Showers.

Designed in the UK, Triton's Affordable Style ranges offer you a fantastic choice of electric and mixer showers that'll perfectly suit your style - and your budget.

Triton has been at the heart of Britain's bathrooms for over 40 years, creating showers which combine great looks with great performance and reliability.

Based in the Midlands, Triton are proud to carry the flag for British design, engineering and customer service. That's why we are trusted by the trade and homeowners nationwide.

We are so confident in the quality of our showers that all Triton showers come with a full parts and labour guarantee, for your complete peace of mind.

So you can look forward to enjoying your Triton Shower day after day, year after year.

The new Amore Electric Shower

The Great British Shower Company

Designer style at affordable prices!

Eden

The Eden's single but elegant lever handle delivers precise temperature and power control to create the ideal shower performance for all the family - whether you opt for an exposed or built in shower valve.

Great showering, made simple.

page
4

Kensey

With its contemporary twist on traditional styling - Kensey will complement most bathrooms. Plus this high performance range of valves will provide an outstanding showering experience.

The Kensey is ideal for updating a traditional bathroom whilst also being easy for everyone to use. The only thing missing is the designer price!

MIX & MATCH

Now you can create your personal perfect shower design with our flexible Mix & Match options. Simply combine our easy to use dual control valves with your own choice of shower heads - fixed, handheld or both - mixers, wall holders, arms and risers to make Affordable Style ideal for you and your home.

Example 1

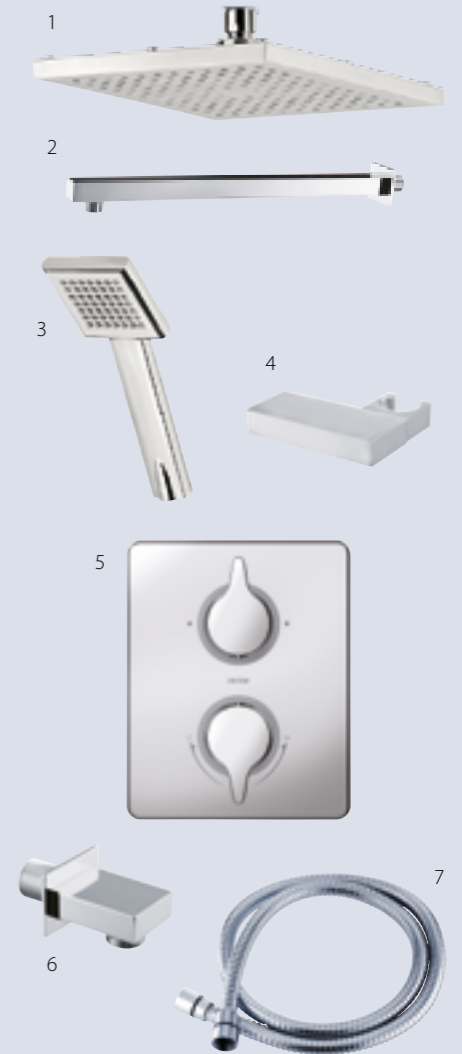

A simple, no fuss built-in shower valve and fixed wall mounted shower head - clean, stylish, easy to use and safe for all the family.

1. Circular 200mm fixed shower head
2. 400mm circular wall arm
3. Kensey Thermostatic dual control mixer shower

Example 2

For more versatile showering, choose the simplicity of a wall mounted fixed shower head, combined with a practical but stylish wall mounted removable shower head. All makes for a fantastic showering experience.

1. Square edge 200mm fixed shower head
2. 400mm square edge wall arm
3. Square edge 1 mode shower head
4. Square edge wall holder
5. Eden Thermostatic dual control mixer shower
6. Square edge hose outlet
7. Shower hose (1.5m)

MIX & MATCH

Simply follow steps 1 to 5 to help you configure your perfect dual outlet shower.

We've made creating your perfect shower easy, with a variety of styles to suit any bathroom.
