

HORSTMANN

CENTAURPLUS SERIES 2

Electronic time controls

CentaurPlus single channel time switches and two channel programmers are highly popular and very affordable with the latest Series 2 units now featuring an upgraded back lit display screen and incorporating an automatic GMT/BST clock.

All models feature an industry standard six pin backplate which permits easy replacement/upgrade with the C11 and C17 controls being suited for use with combi boilers and the C27 and C21 versions for non combi installations where a hot water cylinder is in use.

- 24 hour and 7 day options
- Up to 3 ON/OFF's a day
- Hot water boost and central heating advance
- Programme options: ON, OFF, All day or Auto
- Mains powered with battery back up
- Standard wall plate - simple to plug in and replace
