

The image shows a detailed energy label for an Alpha E-Tec 15R boiler. At the top left is the European Union flag. To its right, the word "ENERG" is written in large blue letters, with "енергия · ενεργεια" below it. Further right are four circular icons: "Y IJA" and "IE IA". Below this header, the brand name "Alpha" is written in a stylized font, with "HEATING INNOVATION" underneath. To the right of the brand name is the model "E-Tec 15R". Below the brand name is a small icon of a radiator. A vertical energy scale is shown with bars for grades A++ (green), A+ (light green), A (yellow-green), B (yellow), C (orange), D (red-orange), E (red), F (dark red), and G (dark red). A black arrow points to the "A" grade. Below the scale is a sound power level icon (a house with a speaker) and the value "45 dB". To the right of this is a large box containing "15 kW". At the bottom left is the year "2015" and at the bottom right is the code "811/2013".
