

RANGEmaster

Sinks & Taps

Rangemaster Quality

Our sink and tap collection is renowned for its durable build and high quality. We're proud to say that the majority of our sinks are made in the UK at our factory in Long Eaton. All of our sinks have a stylish appearance and inner strength resulting from advanced manufacturing techniques. Thanks to our exceptional standards we can offer a 5 year warranty on all of our taps and up to 25 years on many of our sinks.

Sink Accessories

To further your level of personal choice, we have developed an extensive collection of accessories to complement your sink and surround. From draining baskets to food preparation boards, accessories can be bought online or from your local Rangemaster sink stockists.

Our Commitment to the Environment

It is a testament to our reliability and commitment to the environment that Rangemaster is the proud recipient of double ISO accreditation. BS EN ISO 9001 certifies that Rangemaster products are designed and manufactured to an internationally recognised quality management system, while BS EN 14001 acknowledges our commitment to continually improving environmental performance by adopting an approved environmental management system.

Our Stainless Steel Features

All Rangemaster inset stainless steel sinks are manufactured with a new Micro-Sheen™ finish featuring a hard wearing etched Rangemaster logo, and are framed within a subtle ground-edge trim to stand proud in your kitchen. This exquisite finish is complemented by the practicality of automatically applied sealant and pre-fitted clips for ease when installing.

Micro-Sheen™ Finish

All stainless steel sinks have an enhanced soft brushed finish to the bowl & drainer.

Subtle Ground Edge Finish

Each stainless steel inset fitted sink is finished with a subtle ground edge trim to beautifully frame your sink.

Fitted Clips & Seals

Rangemaster stainless steel inset sinks have fitted clips and seals reducing installation time and ensure a perfect, water tight contact with the work surface.

WARRANTY

Stainless Steel Sinks

Designed to blend effortlessly into the heart of the modern family kitchen, a closer inspection of a Rangemaster stainless steel sink also reveals a real eye for design. Stain resistant, hard wearing and easy to clean, of course. Yet also with a stylish, seam-free appearance and inner strength, resulting from advanced manufacturing techniques.

Atlantic Undermounts

For a more discreet presence, Rangemaster offers a vast range of undermount bowls, comprising an eclectic mix of single, 1.5 and double bowl variants. Available in three radii options the range covers curvaceous bowls and distinguished geometric effect corners to complement the tone of your kitchen.

Sink shown above: Atlantic Kube - Undermount Sink in Stainless Steel.

ATLANTIC KUBE 10mm corner radius

With a dramatic 10mm radii defining the corners to this bowl type, the Kube undermount creates a geometric effect which will sit perfectly within streamlined cabinetry. Featuring a modern square waste and overflow, this range is available in a mix of single, 1.5 and double bowl configurations.

<p>Tap Shown Above:</p>  <p>TQC1BF/- Brushed Finish</p>	<p>Accessories Available:</p>  <p>WDUSQAD/ Square Waste Adapter</p>
---	---

ATLANTIC QUAD 25mm corner radius

The Quad undermount range features more distinct lines than the classic undermount, with a 25mm radius in the bowl corners. Made from high grade stainless steel, the Quad bowls feature a square waste and overflow to suit more contemporary kitchen schemes, and come in a variety of configurations to suit your needs.

ATLANTIC CLASSIC

The Classic undermounts have an elegant curvature to the bowls, creating a discreet sink solution suited to any kitchen scheme. Flexibility is also at the forefront of Rangemaster's undermount sinks, with the option of combining different bowl sizes to suit, in addition to both handed and reversible multiple bowl options. All come with a basket strainer waste provided, and a 25 year warranty.

Igneous Sinks

Constructed from a patented formula of 80% quartz – the toughest element of granite – and high-grade acrylic, the Igneous sink collection is literally rock solid. Impervious to knocks and scratches, it's UV stable for a fade-free finish and has high-intensity colour running through its very core. Cleaning is a dream thanks to Igneous' natural antibacterial surface that repels microbes and stains. There are four distinctive designs to choose from, each presented in a trio of style-led shades.

CLASSIC BELFAST

There's very little that captures the true essence of a traditional British kitchen quite like a Belfast sink. Sometimes referred to as the butler sink, the large solid design typifies the very heart of the home. Finished in a high lustre white gloss, complete with a traditionally styled weir waste overflow.

Accessories Available (to buy your accessories visit rangemastersinks.co.uk):

*Waste kits are available in chrome effect and must be ordered separately.

WASTE DISPOSAL UNITS

Rangemaster's range of waste disposers are clean, hygienic and easy to use. All units have a lifetime corrosion guarantee and contain Bio Shield, where disposers are treated with an antimicrobial agent moulded into the casing providing protection against odour causing bacterial growth. Available in two different sizes each model is easy and fast to install and can be fitted with only a standard mains connection.

CONTINUOUS FEED 750

3 Year Warranty

HEAVY DUTY 800
WDU800/

4 Year Warranty

NB. These are only compatible with square waste sinks when using the square waste adapters. Always check with the sink installer when fitting a waste disposal unit with a ceramic sink.

Square Waste Adapter

The new square waste adaptor allows any of Rangemaster's high quality waste disposal units to be fitted onto models with a square waste. Constructed from three easy to assemble parts, installation is quick and easy.
