Proudly designed and  
manufactured in Britain

# FITTED RANGE

Select from a choice of doorstyles and door finishes to suit every home interior, from clean contemporary to country cottage.

Source

A simple yet stylish MFC slab door, the Source doorstyle with its crisp edge profile offers a clean modern look.

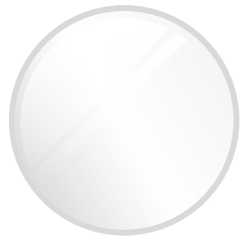

Eden

Eden features a pressed Shaker profile, adding a touch of elegance to any bathroom furniture. Back of the door will be white.

Prism

An uber stylish door featuring the new on trend 3D edging giving a slab door a super contemporary feel. Reverse side of this has a matt finish.

## Unit Overview

All unit carcasses are in Cashmere with the exceptions marked below which are colour matched to the fascia (\*)

+

# SOURCE

WHITE GLOSS

The stunning White Gloss finish stands out against the dramatic wall colour, adding a fresh feel to any bathroom.

Shown here: Washbasin unit (wall mounted using a base wall hanging kit), mirror cabinet, toilet unit, toilet roll unit, plinth, cladding panels, Grey Strata laminate worktop and Chrome bar handle.

+

+  
**SOURCE**  
CASHMERE

There's a stylish feel to Cashmere with its light neutral tones and soft matt finish. The reduced depth furniture and short projection basin are the perfect solution for a small bathroom with added storage.

Shown here: Washbasin unit, toilet roll unit, toilet unit, mirror cabinet, open shelf wall unit, open mirror unit, cladding panels, plinth, Black Granite Gloss laminate worktop and Chrome Arc handle.

+

+

# SOURCE

GREY GLOSS

Teaming fitted and modular furniture together gives you the best of both worlds, the illusion of a larger room with more floor space and extra storage using fitted furniture.

Shown here: Toilet roll unit, toilet unit, wall open shelf unit, double wall unit, modular wall mounted washbasin unit, modular mirror cabinet, cladding panels, plinth, White Gloss laminate worktop and Brushed Pull handle.

+

+

# SOURCE

NATURAL OAK

+

This simple combination of fitted furniture shown as a freestanding solution suits this small cloakroom space perfectly adding the extra element of storage.

Shown here: Reduced depth washbasin unit, frameless mirror, toilet unit, cladding panels, plinth, Natural Oak laminate worktop and Chrome Round bar handle.

+

# SOURCE

## DRIFT

The striking pattern of Drift is a feature in itself and looks particularly eye catching against a neutral background.

Shown here: Tall unit, washbasin unit, toilet unit, frameless mirror, bath side and end panel, cladding panels, plinth, White Gloss laminate worktop and Chrome Pull handle.

+

+

# EDEN

## CASHMERE GLOSS

Cashmere Gloss combined with Drift adds a touch of luxury to this bathroom. Create extra storage for the whole bathroom by adding wall cabinets.

Shown here: Bath side panel, toilet unit, washbasin unit, drawer line unit, mirror cabinet, single wall unit, cladding panels, plinth, Drift laminate worktop and Chrome Crescent handle.

+

+

# PRISM

SILVER GREY GLOSS

This spacious family bathroom with large window makes the room feel light and airy, teamed with Silver Grey Gloss finish and the striking Basalt Grey laminate worktop. Giving this room style without losing any functionality.

Shown here: Washbasin unit, toilet unit, open mirror unit, double wall unit, cladding panels, plinth, Basalt Grey laminate worktop and Chrome Rectangular handle.

+

+

# PRISM

CHARCOAL GREY GLOSS

A stylish new doorstyle and on-trend finish. Fitted furniture works for whatever awkward size bathroom you have to work in, as seen here fitted around a large window.

Shown here: Bath side and end panel, toilet roll unit, toilet unit, single base units, washbasin units, base open shelf unit, mirror cabinets, wall open shelf unit, cladding panels, plinth, Grey Strata laminate worktop and Chrome Bar handle.

+

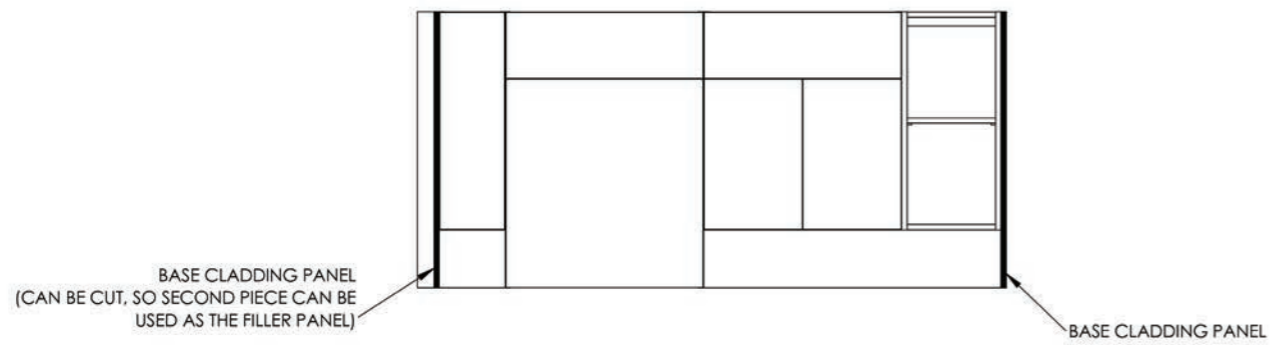

# FITTED RANGE - HOW TO ORDER

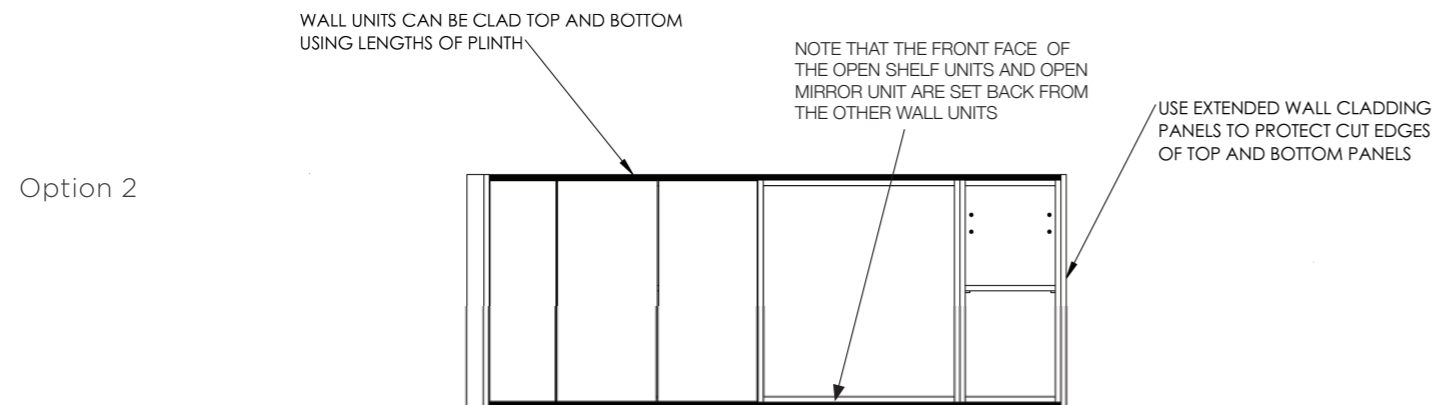

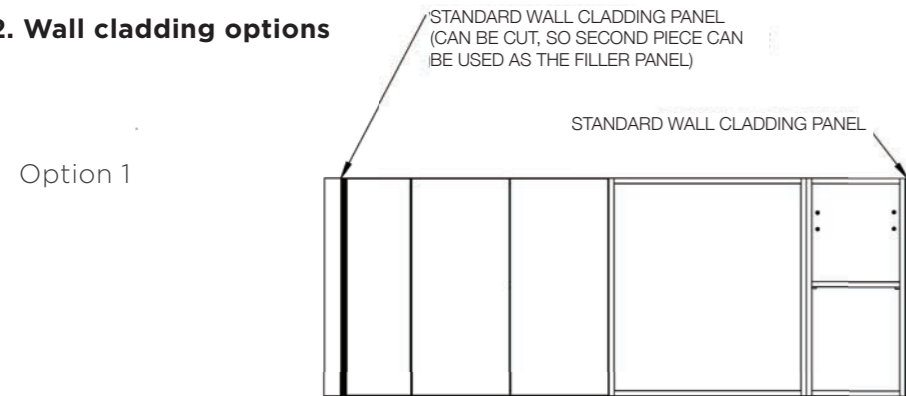

1. Choose your doorstyle
2. Choose your door finish
3. Choose your worktop
4. Don't forget to select and order your handles
5. Select your units required, these are ordered as fascia packs and carcasses as separate items
6. Don't forget to order cladding panels as all our fitted furniture has Cashmere carcasses with the exception of open shelf base unit, toilet units, toilet roll unit, open mirror unit and open shelf wall unit

## HOW TO USE CLADDING OPTIONS & PLINTHS

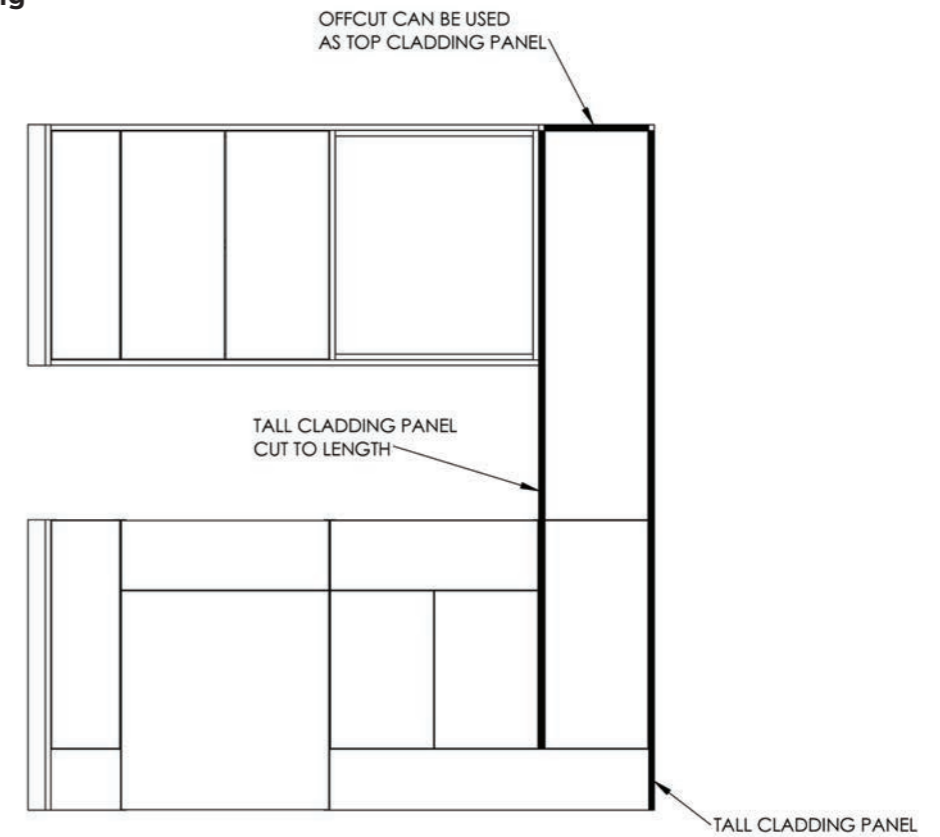

### 1. Base cladding

### 2. Wall cladding options

### 3. Tall unit cladding

# FITTED RANGE AND OPTIONS

Please order both codes required to complete your unit, this is made up of fascia and carcass code.

## 600mm WASHBASIN UNIT

# CLASSIC RANGE

## VINTAGE

Featuring an inset detail to the Shaker profile, the Vintage doorstyle adds a touch of elegance to any bathroom.

### Unit Colours

Ivory Earl Grey Graphite

The back of the Vintage door and the internal carcass finish is Earl Grey.

### Unit overview

+

# VINTAGE

IVORY

This freestanding arrangement in subtle Ivory has all the appeal of a traditional bathroom but is also a practical solution with storage.

Shown here: Freestanding washbasin unit with basin, back-to-wall toilet unit and single door mirror cabinet.

+

+

# VINTAGE

## EARL GREY

+

A modern take on a classic Shaker style, this panelled door in heritage painted effect combines all the elegance of traditional bathroom design with a smart, contemporary twist.

Shown here: Bath side and end panel, back-to-wall toilet unit, freestanding washbasin unit with solid composite worktop with ceramic undermount basin and single door mirror cabinet.

+

# VINTAGE

## GRAPHITE

This beautiful grey hue brings a soothing quality to this family bathroom. Paired with patterned floor tiles it completes the traditional styling.

Shown here: Bath side panel, back-to-wall toilet unit, freestanding washbasin unit with solid composite worktop with ceramic undermount basin and single door mirror cabinet.

+

# VINTAGE

## GRAPHITE

Perfect for making a strong statement, Graphite is a bold finish which can be accessorised with complementary or contrasting colours.

Shown here: Freestanding cloakroom unit and basin, frameless mirror and back-to-wall toilet unit.

# CLASSIC RANGE AND OPTIONS

All washbasin units come with an optional plinth

# FEATURES AND BENEFITS

## Mirrors

An essential feature in every bathroom, a large mirror is both practical and decorative, making the room appear more spacious.

## Storage

Planning plenty of drawer and shelf space into the overall design ensures the bathroom is easy to keep tidy with uncluttered surfaces.

## Modular Handles

The stunning modular range features a dedicated brushed chrome handle, designed for maximum impact on the stylish drawers and doors.

## Fitted Handles

From the simplest chrome knob through to straight, curved and decorative handles, there are eight stunning designs to choose from.

## Soft Close

Ensuring the bathroom is a peaceful haven, all units with doors and drawers are fitted with soft close hinges as standard.

## Reduced or Standard Depths

Washbasin units and toilet units from the Fitted range, are available in the standard depth of 300mm or the reduced depth of 220mm, ideal for where space is at a premium.

## Fitted Worktops

Opt for a co-ordinating or contrasting effect with our carefully selected range of seven laminate worktops.

## Bath Panels

For a fully co-ordinated look throughout the bathroom, choose matching side and end bath panels.

# TERMS & CONDITIONS

## GENERAL

The colours and finishes in this brochure may vary from the actual products supplied, due to the reproduction of colours in printing. The sizes of all products stated are all approximate.

All bathrooms should be well ventilated using suitable air extraction. Product failures caused as a result of inadequate ventilation are not covered by the terms of our guarantee and warranty. Please refer to your nearest bathroom specialist for detailed advice.

The information contained in this brochure is correct at the time of press. However, we reserve the right to alter materials and specifications in line with our continuing programme of product and service development.

## GENERAL GUARANTEE TERMS

Our general guarantee terms are set out below. Please refer to individual product sections for specific conditions and guarantee terms.

General guarantee:

1. Applies when:

- 1.1 products are installed correctly in accordance with our fitting instructions and are for domestic use in a room with suitable ventilation;
- 1.2 furniture is not used in a wet room environment or in frequent direct contact with water;
- 1.3 Solid Surface products have been stored correctly in accordance with our packaging instructions – specifically these must be stored flat at normal room temperature prior to installation to avoid any distortion.

2. In the event of a product failure within the guarantee period (from the date of purchase) we will supply a free of charge replacement for the failed item. If that part is no longer available, a nearest equivalent replacement will be supplied. Our guarantee is limited to the products supplied and does not cover any associated installation costs, consequential loss or damage claims.

3. The terms of this guarantee do not affect consumer's statutory rights.

4. Any guarantee is limited to the original purchaser, is non-transferable and does not cover the purchase of ex-display items.

5. To obtain replacement parts in accordance with the terms of this guarantee, please contact the supplier.

6. Product guarantees may be invalidated through incorrect care and maintenance procedures.

7. All electrical installations must be carried out by a suitably qualified electrician. Your guarantee does not cover products incorrectly installed.

## BATHROOM FURNITURE

Our furniture has been specifically designed and manufactured for performance in general bathroom use and carries a 5 year guarantee. All bathroom furniture will deteriorate through prolonged periods of exposure to high levels of condensation and all bathrooms must be adequately ventilated using suitable extraction to avoid this. Failure to ensure adequate ventilation may invalidate your guarantee.

Bathroom furniture is not specified or designed for use in areas of high or regular direct contact with water, particularly in wet room environments or where direct and/or regular water contact is prevalent. Any guarantee does not extend to this use.

In respect of furniture containing electrical components, these items are unsuitable for zones 0, 1 & 2 installations. If you are in any doubt, please consult a qualified electrician.

## SOLID SURFACE PRODUCTS

Solid Surface products are fabricated and finished by hand and carry a 5 year guarantee.

## MINERALCAST PRODUCTS

Mineralcast products carry a 5 year guarantee and are supplied with a 2% dimensional tolerance.

## SANITARYWARE

Our sanitaryware carries a lifetime guarantee against manufacturing defects and are supplied with a 2% dimensional tolerance. Installation must be in accordance with the instructions provided and failure to comply with these may invalidate the guarantee.

## TOILET SEATS

A 2 year guarantee applies to all toilet seats and related components. It is the responsibility of the consumer to ensure that suitable cleaning products are used. Do not use abrasive cleaning products or cleaning products that contain chlorine or acids, as these may cause yellowing or peeling of the material. After cleaning, wipe the seat with a well wrung out cloth. Leave the seat and lid up whenever strong cleaning products are left in the bowl of the WC pan to prevent damage from vapours.

## COMMERCIAL APPLICATIONS

A 12 month guarantee applies to all products fitted in a commercial environment.

## OUR ENVIRONMENTAL COMMITMENT

Our manufacturing process is green at heart. Sustainability is high on our agenda and we strive to make the least environmental impact. From the wood we use, the energy we consume, to our transport logistics, we take care to ensure we operate as responsibly as possible.
