PUMPED SHOWER SOLUTIONS

Great showering performance for low pressure systems,
without the noise of a traditional pump

SILENT RUNNING PUMPED SHOWER SOLUTIONS

SILENT
RUNNING™

AS2000 SR - Silent Running Thermostatic Power Shower

Product Codes

TAS2000SR

More Power, Less Noise?

Triton's **NEW** silent running thermostatic power shower is so quiet that when the water is running, you won't hear the pump, and as such has been awarded the Quiet Mark award of approval.

This means that there is no need to worry about disturbing the rest of the household with a noisy pumped shower, leaving you free to shower any time of the night or day.

The AS2000SR is the perfect solution for those with low pressure systems, providing a great flow rate of up to 14 litres per minute. Its continuous running performance ensures there is no waiting around in between showers for busy families.

Features and Benefits:

- Easy to use start/stop button
- **Thermostatic control** constantly regulates the temperature providing you with precise control and a safer showering experience
- **Adjustable maximum temperature stop** reduces the risk of accidentally turning the temperature too high
- **Multiple cable and water entry points** including the Triton **Swivel Fit water inlet**, enabling top, rear or bottom entry providing ease of installation for a perfect fit
- **Larger footprint** makes it an ideal replacement for existing Triton power shower models
- Large **3 mode**, rub clean shower head
- **1.25m** anti-twist hose
- **1 year guarantee**, full parts and labour

HOST - Silent Running Digital Shower

Features and Benefits:

- The HOST digital mixer is **silent running**, using **quiet motor technology**, leaving you free to shower any time of the day or night
- **Superior flow rates** and **precise temperature control**
- **Over 16 temperature** and **10 flow levels** allows the user to fine tune their showering experience
- **Multiple built in-presets** with the option to create and store your personal settings
- **5 year guarantee**, full parts and Labour
