

SENSATIONS BATHROOMS

9th Edition

William Wilson
BATHROOM SHOWROOMS

INDULGE YOUR SENSES

An extensive range of stunning, innovative, superbly designed bathroom suites, brassware, shower enclosures & accessories providing high quality durable and extremely functional products that satisfy the demands of today's contemporary living.

Modern, clearly defined lines create a modest or extravagant feel in any home.

Lifeshield uses the very latest nano technology to deliver a unique bond with the glass that leaves the surface totally smooth and able to resist the build up of unsightly limescale and soap deposits which can lead to glass looking less than perfect. Totally clear UV stable and extremely durable, Lifeshield won't peel or flake and unlike some other systems you don't need any specialist cleaners or top up products to maintain it's dirt repellent properties.

- All measurements, colours and descriptions are given as a guide only
- William Wilson cannot be held responsible for the incorrect application of any product
- Whilst every effort is made to ensure the prices within this price guide are correct, prices charged will be those ruling at date of despatch
- All prices are inclusive of Value Added Tax at 20%
- William Wilson terms and conditions of sale will apply, a copy of which can be obtained on request

VOLA

SHOWER TRAYS

Vola Shower Trays have been developed to complement the Zen Shower Panels range. At just 45mm high Vola shower trays provide a minimalist wet room look.

Leg sets and fascia panels are available, for situations where it is preferred to raise a Vola tray to ease fitting.

- 45mm high
- Durable acrylic capped ABS skin
- Superior high gloss finish
- High resistance to impact damage
- Stable resin-bonded stone backing
- Requires 50mm waste
- Lifetime Guarantee

ZEST

The Zest bath screen gives you the best of both worlds effectively turning your bath into a shower tray. It's unique curved bottom edge puts safety first in the slippery and often cramped environment of a typical bathroom.

Built in towel rail, larger than average dimensions making it ideal for the increased performance of modern showers and double seal for double protection against water leakage.

- 6mm toughened safety glass
- Unique curved bottom edge for increased safety
- Increased height & width
- Suitable for high performance showers
- Built in towel rail
